

Nimbus Retail Inc.

Employee Policy Handbook — Effective January 1, 2026

1. Introduction and Scope

This handbook describes the workplace policies of Nimbus Retail Inc. ("the Company") and applies to all full-time, part-time, and contract employees working at any Company location, warehouse, or remote site. By accepting employment with the Company, employees agree to comply with the policies described in this document. Policies may be updated from time to time, and employees will be notified of material changes by email and through the internal HR portal at least 14 days before the change takes effect.

Nothing in this handbook constitutes an employment contract or a guarantee of continued employment. Employment with Nimbus Retail Inc. is at-will unless otherwise stated in a signed individual agreement.

2. Code of Conduct

All employees are expected to act with honesty, integrity, and respect toward colleagues, customers, vendors, and partners. Harassment, discrimination, or retaliation of any kind will not be tolerated. Employees who witness or experience a violation of this policy should report it to their manager or to the Human Resources department at hr@nimbusretail.example within 5 business days of the incident.

2.1 Conflicts of Interest

Employees must disclose any outside business activity, financial interest, or personal relationship that could reasonably be seen as a conflict with their duties at the Company. Disclosures should be submitted in writing to a direct manager and to HR prior to engaging in the activity.

2.2 Confidentiality

Employees may not disclose confidential Company information, including customer data, pricing strategy, or unreleased product plans, to any third party without prior written authorization from a Director-level manager or above. This obligation continues for 2 years after termination of employment.

3. Leave and Time-Off Policy

Nimbus Retail Inc. provides several categories of paid and unpaid leave. Eligibility and accrual rates depend on employment classification and length of service, as summarized in the table below.

Leave Type	Eligibility	Annual Allotment	Carryover Limit
Paid Time Off (PTO)	All full-time employees	18 days	5 days
Sick Leave	All employees	10 days	Not carried over
Parental Leave	12+ months of service	12 weeks paid	N/A
Bereavement Leave	All employees	5 days per event	N/A
Jury Duty Leave	All employees	As required by court	N/A

3.1 Requesting Time Off

PTO requests must be submitted through the HR portal at least 7 calendar days in advance for planned absences. Sick leave may be reported on the morning of the absence by notifying a direct manager before the start of the scheduled shift. Unused PTO beyond the carryover limit is forfeited at the end of the calendar year unless local law requires payout.

3.2 Parental Leave Details

Eligible employees may take up to 12 weeks of paid parental leave following the birth, adoption, or foster placement of a child. Leave must be taken within 12 months of the qualifying event and may be split into two blocks with manager approval. Employees on parental leave continue to accrue PTO at 50% of the normal rate.

4. Remote and Hybrid Work Policy

Nimbus Retail Inc. supports flexible work arrangements for roles that do not require a fixed physical presence. Remote work eligibility is determined by role classification and manager approval, not by seniority alone.

4.1 Eligibility Tiers

- Tier A — Fully Remote: Roles in Software Engineering, Data, and Customer Support may work from any Company-approved location within the country of employment.
- Tier B — Hybrid: Roles in Marketing, Finance, and People Operations must be present in a Company office at least 2 days per week.
- Tier C — On-site Required: Warehouse, logistics, and in-store retail roles are not eligible for remote work due to operational requirements.

4.2 Equipment and Expenses

The Company provides a laptop, monitor, and a one-time home-office stipend of 300 USD (or local currency equivalent) for employees in Tier A or Tier B roles. Internet reimbursement of up to 40 USD per month is available upon submission of a receipt through the expense system.

4.3 Core Collaboration Hours

All remote and hybrid employees must be reachable between 11:00 AM and 3:00 PM in their local time zone, referred to as "core hours," to support cross-team meetings and collaboration. Outside of core hours, employees may set their own schedule provided deliverables are met.

5. Information Technology and Security Policy

This section establishes minimum security requirements for all employees who access Company systems, applications, or data, regardless of work location.

5.1 Password and Authentication Requirements

All Company accounts must use multi-factor authentication (MFA) and a password of at least 12 characters. Passwords must be rotated every 180 days and may not be reused across the last 5 password changes. Shared accounts are prohibited except for designated service accounts approved by the IT Security team.

6.3 Non-Reimbursable Items

The Company does not reimburse personal entertainment, traffic fines, alcohol beyond one drink per client dinner, or upgrades to first-class travel. Any expense flagged as non-compliant will be returned to the employee for correction or withdrawal.
